The steamship *Gorrid* (?), seven weeks
overdue from Singapore, has arrived at Port
Towson.

(From Japanese Papers.)
THE DISPOSAL OF THE INDEMNITY.

TOKYO, November 28th.

It is reported that the Government has decided
to withdraw the money now on deposit in the
Bank of England, with the exception of that
required for the purchase of war-vessels, rails,
and munitions of war. The reason animating
the Government is believed to be the considera-
tion, that should war by any possibility break
out between Japan and England, any national
money lying in a British bank would be forfeited.

The money withdrawn from London will be
transported to this country and deposited in the
Bank of Japan.

DOUBTFUL NEWS.
TOKYO, November 29th.

It is stated that the amount of the Chinese
foreign loan, which Great Britain and Germany,
acting together, are rumored to guarantee, is
100,000,000 taels. Of this sum, 50,000,000 taels
will be appropriated as the second instalment of
the war indemnity which the Chinese Govern-
ment has agreed to pay Japan in April next.

What will be done with the remainder of the
loan is not yet definitely known. Herr von
Brandt's visit to China is said to be in connec-
tion with the loan. He is representing the
German bankers.

THE KOREAN GOVERNMENT AND
THE LATE QUEEN.
SEOUL, November 29th.

The Korean Government has decided to
publicly announce the death of the Queen, and
to hold a State funeral. All Koreans will be
ordered to wear mourning for a year.

THE SITUATION IN KOREA.
TOKYO, November 29th.

According to a Seoul telegram, the Korean
Government, at the instigation of a certain
Foreign Minister, has decided to arrest the
T'ai Woon Koo, and to hold a State funeral for
the late Queen and restore her to her Royal rank.

It has been further decided to arrest Mr. Hansen,
who is alleged to have fled to Japan after
rendering assistance to the T'ai Woon Koo, in
the recent disturbances.

There are now seven Russian men-of-war in
Korean waters.

ANOTHER ATTACK ON THE PALACE
AT SEOUL.
SEOUL, November 28th.

At 2 a.m. to-day, some of the old disbanded
bodyguard soldiers attempted to force their way
into the Palace, but were repulsed by the
remaining men of the old *Kyunran* (disciplined
soldiers).

Li Doten, formerly Chief Officer of the
Yang garrison, two subordinate officers and five
soldiers, have been arrested, together with four
would-be assassins who were armed with swords.

Mr. Komura, Japanese Charge d'Affaires,
paid a visit to the King's Palace at 5 a.m. to-day,
and remained for five hours.

Other Foreign Ministers also paid visits to the
Palace.

The King and Court Officials are unharmed.

The *Hyak-tai*, or old bodyguard soldiers,
proceeded to the Palace from two directions, one
party making a diversion in the neighbourhood of
the Todal-mun, while the other attempted to
force its way from the Gel-shin gate.

Only about ten actually penetrated into the
Palace compound, and these were arrested.

It is reported that many of the *Kyunran*
soldiers knew of the affair beforehand, and
that one of the officers actually joined the
attacking body. It is said to have been decided
that as soon as the rides of the *Hyak-tai* had
been fired three times, the *Kyunran* would
assist, and the combined force attack the Palace
together. It appears, however, that the *Hyak-tai*
had been deceived, for as soon as the signal
was given the *Kyunran* rushed out upon the
Hyak-tai, and repulsed the force amidst great
confusion.

A rumor prevails that during the disturbances
yesterday, two or three foreigners were seen
among the rioters.

TOKYO, November 29th.

The *Chuo Shimbu*, in an extra intermally
accuses the Russian Government of being
implicated in the Seoul affair. It says that Li
Hanshin, who has been concealed in the Russian
Legation, plotted to surround the Palace with
three hundred men and then to seize it by assault.

A MISSIONARY ON THE JOB.
SEOUL, November 28th.

It is rumored that Mr. Underwood, an
American missionary, was the foreigner who was
seen among the rioters.

(Special to *China Gazette*).
THE LATEST KOREAN PLOT.

THE WOULD-BE ASSASSIN TAKEN REFUGE ON
BOARD A RUSSIAN WARSHIP.

TOKYO, December 4th.

It now transpires that the chief instigator in
the latest plot to seize the palace at Seoul and
assassinate the Cabinet Minister, was Li Han-
shin, ex-Minister of Commerce and Agriculture.
Li Han-shin has been a guest at the Russian
Legation ever since the tragic events of October
28th, and he has been in close contact with the

Russian officials. His attempt was made on
the Palace on the 28th, as I have previously
informed your readers, and was joined by a
certain portion of the palace guards, namely the
Kyunran, or foreign disciplined force, but, as
stated before, the premature discovery of his
plans by the Government ended in his defeat.

It has now transpired that he fled on board a
Russian man-of-war the name of which is given
as the *Obovskij*, which left immediately for an
unknown destination. This circumstance has
given the affair far greater importance than it
otherwise would have possessed.

RE THE "STRATHNEVIS."

We are indebted to the courtesy of Messrs.
Dodwell, Carrill & Co. for the following infor-
mation:—

We have a telegram from our Tacoma firm,
sent apparently after receipt of the letters
advised as expected when they previously wired
us, giving information that the accident to the
Strathnevis happened on the 20th October,
when she was seven days out from Victoria, and
that instead of the male shaft being broken, the
shaft is broken and the propeller lost. Our
firm further advises us that the *Tacoma*, which
sailed from Tacoma on the 8th inst., bound for
Yokohama, was instructed to endeavor to find
the *Strathnevis* if such could be done without
any great delay.
